

**The Department of English for Engineering № 2
2021-2022**

Participation, support and documentation support in international projects, joint international programs (Erasmus...):

1. Project name: "SWorld" (Ukraine, Bulgaria, Germany). (Galatsyn K.O., Holub T.P., Shalova N.S., Khimay N.I., Yefima O.M., Zarivna O.T.)

Project participants: International scientific and practical conferences (Ukraine, Bulgaria, Germany, Belarus), which are held by the SWorld scientific project.

Member of the editorial board (Member of the organizing committee of international scientific and practical conferences): International scientific journals (included in scientometric databases: IndexCopernicus, GoogleScholar): "Scientific view of the future", Ukraine "Modern scientific research", Belarus "Modern engineering and innovations' technologies", Germany "SWorldJournal", Bulgaria

Deadlines: within a year

2. Participation in the international project: Project of intercultural virtual exchange "Ibunka-2022".

Project participants: Yokohama National University, Japan. Certificate ID: 29 – 2022. Registered in the internal database of National Technical University of Ukraine "Igor Sikorsky Kyiv Polytechnic Institute". Application registration number - A049-2022, registration date - 09/12/2022. (KAMTS 2, FL) (Lavrish Yu.E., Holub T.P., Sinekop O.S., Chugai O.Yu., Nikitina N.S., Lytovchenko I.M., Betsko O., Shalova N.)

Project Summary: Research on the topic "Intercultural Communication"

Deadlines: 26.09 - 23.12.2022

3. Participation in the international project: "Eco-Techno Ukraine 2023"

Project participants: National stage of the international competition of scientific and technical creativity of students ISEF (International Science and Engineering Fair) (Medkova O.M., Chugai O.Yu., Prykhodko D.S., Havrylenko K.M., Pisarchyk O.L.), O.O. Kovalenko, O.G. Korbut, O.V. Lakiychuk, A.S. Nypadymka, R.V. Khmelnytskyi)

Deadlines: 28.02-03.03.2023

4. Sustainable Development Goals (COIL) - USA "Internationalization Leadership Academy", University of North Carolina Wilmington - Lavrysh Yu.E.

Application registration number - A047-2022, registration date - 09/06/2022.

Partnerships and cooperation

The department cooperates with European universities: FIL. DOCTOR. YANG-U. Sandal Institute (Norway), Universitat Politecnica de Valencia (Spain), University of Economics in Bratislava (Slovakia), Greifswald University (Germany), Polytechnic University of the Philippines and engages English language teaching experts from America House to conduct scientific conferences and seminars, London English Language Schools and Internal Education Centre.

Agreement with the University of Economics in Bratislava (Slovak Republic), (PaedDr. Eva Stradiotová, Ph.D., Deputy Dean for Education, responsible for the department, AIS coordinator for FAL University teachers)

Project content: conducting joint methodological and scientific research, holding a seminar "Peculiarities of teaching English for special use for students of technical specialties"

Agreement from the Polytechnic University of the Philippines (Manila, EMEJIDIO C. GEPILA JR, Associate Professor of the Polytechnic University of the Philippines):

Project content: conducting joint methodological and scientific seminars, conferences.

Agreement from the University of Technology (Poznan, Poland; Dr Barbara Sawicka (Deputy Director of CLC)

Project content: participation in the Teaching ESP with limited resources seminar.

Membership in international organizations:

The teachers of the department are members of many international organizations and professional associations:

International Association of Teachers of English as a Foreign Language, (IATEFL),

Teaching English to Speakers of Other Languages (TESOL),

European Education Research Association (EERA),

Ukrainian branch of the International Association of Teachers of English as a Foreign Language (Supported by British Council Ukraine),

Arab Society of English Language Studies,

Future English Online Teacher Community,
ETF Community Open Space

Representation in international editorial boards:

Advanced Education Journal – V. Lukyanenko, I.M. Litovchenko

Scientific journal "Universal Journal of Educational Research" (I.M. Lytovchenko, acting as a reviewer)

Scientific journal "Management Decision" (indexed by Scopus and Web of Science) (I.M. Lytovchenko, acting as reviewer)

International conferences of the department

On December 15, 2022, the XXIII International scientific and practical online conference of higher education graduates and young scientists ***“Science and Technology of the XXI Century”*** was held on the basis of the Faculty of Linguistics of the National Technical University of Ukraine “Ihor Sikorsky Kyiv Polytechnic Institute”.

The conference was co-organized by the University of Economics in Bratislava (Slovakia) and the Polytechnic University of the Philippines.

The conference was opened with an opening speech by the Dean of the Faculty of Linguistics, Ph.D. Professor Zoya Korneva.

The plenary session began with a report and an interactive presentation by Doctor of Pedagogy. by Professor Yu. E. Lavrysh on the topic “Social Engineering”.

21 reports were heard in zoom conferences. Among the topics covered were research from innovations in science and technology, social engineering to linguistics.

Section meetings were held at a high organizational, scientific and theoretical level in the spirit of discussions with moderate polemics and great interest of student youth.

The V Annual Conference on Current Foreign Languages Teaching Issues in Higher Education was organized by the Faculty of Linguistics of the National Technical University of Ukraine “Ihor Sikorsky Kyiv Polytechnic Institute”.

We were honoured by the visits of many scholars, researchers, and practitioners, who shared thoughts and ideas regarding various aspects of Teaching Foreign Languages. Their research findings and ideas will benefit the realm of foreign language education and foreign language acquisition.

The authors submitted structured abstracts were published in the Conference Abstract Book online.

At the plenary session, *Dr. Ruslana Westerlund*, Educational Consultant and Associate Adjunct Professor, Bethel University (USA), *Dan Roskey*, Senior Lecturer at Rotterdam Business School (RBS), Rotterdam University of Applied Sciences and *Yuliana Lavrysh*, Dr. Sc., Professor, head of the Department of English for Engineering №2, National Technical University of Ukraine “Igor Sikorsky Kyiv Polytechnic Institute” presented their ideas.

On June 8, 2023, Faculty of Linguistics of National Technical University of Ukraine “Igor Sikorsky Kyiv Polytechnic Institute”, held the First International

scientific and practical online conference “*Virtual exchange: learning and teaching without borders*”.

A wide range of scientific and practical achievements in foreign language teaching were presented and discussed; Among them were current problems of learning and teaching in higher education institutions; application of modern technologies of teaching ESP; experience exchange and establishment of scientific cooperation between educational and research institutions of Ukraine and foreign countries.

At the plenary session the participants listened to the opening greetings from Zoia Kornieva, Dr. Sc., Professor, Dean of the Faculty of Linguistics, Igor Sikorsky Kyiv Polytechnic Institute.

A number of interesting reports were from:

Robert O’Dowd, Full Professor, Departamento de Filología Moderna, Facultad de Filosofía y Letras, Universidad de León, Spain;

Masahito Watanabe, Professor, English Education Division, Yokohama National University, Yokohama, Japan;

Yuliana Lavrysh, Dr. Sc. (Education), Professor, Head of Department of English Language for Engineering, Faculty of Linguistics, Igor Sikorsky Kyiv Polytechnic Institute;

Iryna Simkova, Dr. Sc. (Education), Professor, Head of Department of English Language for Humanities, Igor Sikorsky Kyiv Polytechnic Institute.

Participation in international conferences outside Ukraine:

1. *Chugai O.Yu.* - TESOL 2023 International Convention and English Language Expo. Chugai, O., Petrenko, S., Zuyenok, I. (2023). Emergency ESL Teaching and Learning: Ukrainian Perspective. Presentation of the report (ID 2485) entitled "Challenges of teaching and learning ESL: Ukrainian experience". 21-24 March, Portland, Oregon, the USA. <https://kamts2.kpi.ua/2023/03/03/tesol-ukraine-newsletter/>
2. *Lavrysh Yu.E.* – International conference “Diversity in the Digital Foreign Language Classroom”, March 30-31, 2023; presentation title “Technology-Enhanced UDL Implementation at ESP Classes (Case Study)”, Professional School of Education, Stuttgart, Germany.
3. *Lavrysh Yu.E.* – BELTA conference, presentation title “Insight into proficiency of virtual exchange implementation”, 04/22/2023, Brussel, Belgium.

Foreign internship:

Chugai O.Yu. Place of internship: Narva College of the University of Tartu, Estonia. MULTIED Internship “E-Course Development” (2 credits) August 22-27, 2022

Ameridze O.S. Place of internship: University of Granada, Spain (E Granada 01). Staff training. 04.04-31.07

Sviridova L.H. Place of internship: Narva College of the University of Tartu, Estonia. e-Course Development Internship (SVNC.TK.296) 52 hours (2 ECTS). (August 22-27 2022)

Sviridova L.H. Place of internship: Internship “Development of Digital Competence in Pre-School Education” SVNC.TK.304 16 hours (0.5 ECTS credit points) by the Narva College Certificate No. 14372-22

Galatsyn K.O. Place of internship: Czech Technical University, Prague, Czech Republic. Management of the transfer of educational technologies in the European Union countries: Modern educational technologies: essence. Classifications, effectiveness. Educational technologies: learning in a digital society

Management of educational technologies transfer in the European Union countries. Certificate No. 12130 dated February 25, 2023 (180 hours (6 credits)) December 15, 2022 - February 25, 2023.

Lytovchenko I.M. Place of internship: Krakow University of Economics (Krakow, Poland). "New and Innovative Teaching Methods". Certificate NR 3403/MSAP/2023. (108 hours). Order on KPI No. 6 dated January 24, 2023
